

Title I Parent & School Compact

Your school administers a school wide Title I program designed to improve learning and achievement for all of its students. Students and families have access to a variety of programs and services funded by Title I. These programs and services range from before and after school small group instructional opportunities to access to instructional technology and web-based supplementary activities. By signing this Compact, all parties agree that parents, students, and school personnel share the responsibility for improved student achievement so that our students will meet and exceed the state of Illinois' high academic standards and grow as young men and women. All students and parents are asked to sign the Compact to acknowledge the presence of the program at their school and provide permission for access to programs and opportunities.

Parent and Family Responsibilities – We will...

- Make sure that our child attends school regularly, is on time, and is prepared to learn
- Talk about what s/he is learning and doing in school
- Provide a suitable place for homework and be available to our child as s/he studies and completes homework
- Work with teachers to make sure our child participates in the Title I tutoring program for which s/he is recommended

Student Responsibilities – I will...

- Come to school on time every day possible, ready to learn and try my best
- Pay attention to my teachers and family, and take responsibility for my own learning
- Keep my family informed about what I am learning and doing in school
- Complete my homework on time and to the best of my ability
- Attend tutoring sessions as scheduled

Teacher Responsibilities – I will...

- Provide quality learning opportunities and leadership to my students and families
- Participate in professional development to improve instruction
- Communicate regularly with families about student progress
- Invite parents to be active participants in the learning of their child
